

The Křižík Prize Statute

Preamble

The Křižík Prize is particularly awarded for a lifelong contribution to the field of electrical engineering or electronics.

Article 1 Nomination

- a) Nominations for the Křižík Prize can be submitted by the following nominators: individuals, universities, faculties, scientific institutions, corporations, public and state organizations. Nominations are only valid if submitted on the prescribed nomination form (see Appendix 1).
- b) The deadline for submissions of the completed nomination forms is announced by the Dean of the Faculty of Electrical Engineering (FEL).
- c) The candidate nominated for the Křižík Prize is an alive nominee:
 - with a longlife contribution to the field of electrical engineering, or
 - with a significant contribution to the Faculty of Electrical Engineering, UWB, in the field.

Article 2 Selection of the Křižík Prize Laureates

- a) On the basis of the submitted nomination forms, the Committee appointed by the Dean of the FEL Faculty selects a maximum of 10 candidates through a secret vote. The nominations of these preliminary candidates are discussed at the meeting of the Academic Council of the FEL Faculty.
- b) The Academic Council of the FEL Faculty selects one laureate out of the ten candidates through a secret majority vote. In case of equality of votes, the Dean's vote is decisive.
- c) The list of all nominated candidates as well as the laureate shall be made public after the vote of the Academic Council of the FEL.

Article 3 The Křižík Prize Award Ceremony

- a) The Křižík Prize Award Ceremony takes place every year on the day of Křižík's death remembrance, i.e. 22nd January.
- b) The Křižík Prize laureate receives the prize from the Dean of the FEL Faculty.
- c) The Křižík Prize laureate receives the Diploma from the Dean of the FEL Faculty or from a chosen personality from the field.

Article 4 The Křižík Prize Laureates

- d) In a six-month period, every laureate shall read a professional paper concerning their field in front of the academic community.
